Carla Dempsey

Carla started to play shuffleboard with her mother in 1969, mostly at the Ingram Inn and the Esquimalt Inn. She was only 16 years old. In her early years she also played in a long board league at the 6-Mile Colwood and the Gorge Road Pubs.

Her first tournament win was the Captain Davis with Don Johnson. Carla joined Ernie Webb's team the Stingers and that is when Ernie thought her how to shoot the rails and Kabal Bimb thought her the strategy of the game.

Carla represented Vancouver Island Shuffleboard Association (VISA) on 20 different occasions from 1991 to 2018.

Carla has won the Canadian Championships on three occasions, in Ladies Doubles with her partner Chucky Boustead in 2004, 2006 and 2013.
