Brenda Brown

Brenda started playing shuffleboard for fun back in 1978 in some country bars in the Kitchener area.

She so enjoyed the game that years later she started a ladies team, playing out of the St Clements Hotel and was playing for several years.

She met this “great lady” Lynn Noel from Kitchener and they instantly became best friends.

Lynn asked Brenda to join the legion and later asked her to play in the Ontario Shuffleboard Championships.

Brenda and Lynn went on to represent the OSA twice at the Canadian Shuffleboard Championships.

Well the rest is history. Brenda has played in every OSA Playdowns since.

She has driven through snowstorms and pouring rain to play. Shuffleboard is her passion so is it any wonder she can't stop competing!

Brenda has been to the Canadians every year since 1998. She so hooked on the game that she never misses a tournament and has had her own team in the Kitchener Shuffleboard League for more than 10 years.

With such intense love for the sport and a very competitive spirit she has earned a spot in the Canadian Shuffleboard Hall of Fame.
