Jackie Baverstock

Jackie was a great shuffleboard player and always played with great sportsmanship.

Everybody loved her in the shuffleboard world.

Jackie with her United Shuffleboard team mates

She started playing back in the eighties in Milton at the Charles Hotel and belonged to the United Shuffleboard League.

She loved the game and when she played with Rico Beaulieu and won the Canadians twice it was magic.

They played so well together and they were the first mixed team from Ontario to win the Canadians.

When Jackie and Darlene Perusello played the ladies doubles in the Provincials they were tough to beat.

They travelled to the different provinces year after year to play the Canadians.

Geoff Denny presented Jackie and Rico the "Mixed Doubles" trophy In 1990

Jackie and Rico also played together in 1993 and 1995

She was part of the team in 1996 when the OSA won the Aggregate Trophy

Tragically we lost Jackie as a result of a car accident in 1996

To this day she is missed by many in the shuffleboard world of Ontario and Canada but her spirit will always remain with everyone who knew her.
