Mike Provencher

Mike began playing shuffleboard at the Esquimalt Legion in Victoria, British Columbia in 1992. In his beginning Mike was very eager to learn the game, playing the game every Friday night at the Esquimalt Legion and all the tournaments that he could, learning from all the great Victoria players in the process. It took him a while to realise that he had two hands but eventually he learned to use his right hand. When Jake Jacob asked Mike to be his partner, things began to get better for him and he finally made it to the show in 1999 in Niagara Falls.

Mike always has been a strong supporter of local tournaments and Opens both locally and in other Provinces winning his fair share.

He has represented the Vancouver Island Shuffleboard Association (VISA) at the Canadian Championships on nineteen different occasions beginning in 1999 until 2018. Mike also has represented the Eastern Ontario Shuffleboard Association (EOSA) in 2005.

Mike has won the Canadian Championships on two occasions, in Singles in 2015 in Winnipeg, Manitoba and also in 2017 in Calgary, Alberta.
