Theresa Lynk

Theresa started playing shuffleboard back in 1992 after meeting Rico Beaulieu and so many players in the OSA

She spent several years just watching everyone play and never considered herself to be competitive enough to play against all the great shooters

After lots of encouragement from several veteran players she decided to give it a try and really liked it.

She has been fortunate enough to play in the Canadian Championships several times and has come to really appreciate the skill of so many great competitors

Theresa became interested in helping to arrange tournaments and helping with fund raisers.

She learned a lot from Audrey Denny and was nominated back in 2009 to take Audrey's place as Secretary Treasurer.
